The husband and wife living in the house got out of the fire and the husband went back inside the burning house and lost his life. She stated it has been a tragic situation, but she commended the fire departments for the outstanding efforts in fighting the fire.

Each week more people have been participating and seem to enjoy the searches.

The use of the Mini-park is requested from 4 pm to accommodate race registration. This event raises approximately \$5,000 annually for the Shriners Hospital, and serves as another downtown “Block Party” to attract visitors and residents alike. Waynesville Main Street Mile is a 501(c)3 organization, which has cooperated with the Police Department and Downtown Waynesville Association to sponsor this event for the last four years.

The Downtown Waynesville Association has added this event to their calendar of events for the month of August.

MOTION: *To approve the closing of Main Street on Friday, August 22, 2014 from 5:00 pm – 10 pm for the Main Street Mile footrace and related fundraising events associated with the annual “Run for the Children”, benefitting Shriners Hospital, Greenville, SC.*

FUNDING SOURCE/IMPACT: There are few direct costs to the Town associated with street closings, most notably for disposable cleaning supplies, limited staff overtime and electricity for light/sound/vendors/etc. However, the Town commits a significant level of resources in in-kind contributions of materials, use and storage of equipment and staff support for traffic control, event security, emergency response and sanitation.

From: Eric Yarrington, President – Waynesville Main Street Mile

Re: Proposal for 2014 Waynesville Main Street Mile

I would like to thank the Town of Waynesville for the tremendous support for our annual Waynesville Main Street Mile *Run for the Children*. We are pleased to report that our 4th annual race was another success and we were able to present Shriners Hospital of Greenville, SC with an \$8000 donation.

We have scheduled our 5th Annual race for Friday night, August 22, 2014. The race begins at 6:30 pm. The traffic assistance that has been graciously provided by the Waynesville Police Department, in addition to our volunteers, has been very successful at helping the race to be a safe and enjoyable event. In addition, it has provided for the opportunity for traffic to flow across Main Street. Traffic stops were set up at the intersections of Main Street and Russ Avenue (to stop southbound traffic) and at the traffic light at Main Street and Hazelwood Avenue (to stop northbound traffic). We are requesting the same assistance for this year's race, with traffic stops being in place at 5:00 to allow for course set up and for volunteers to be placed at the appropriate cross streets.

We feel that the Waynesville Main Street Mile serves as another "Block Party" to highlight our beautiful and historic downtown. We will once again have a big post race party complete with live music, food / drinks, and many children's activities. Local businesses that are already set to participate include Tipping Point Brewery, Frog Level Brewing Company, Gracie Jiu Jitsu North Carolina, CrossFit 2311, and ServPro. The post-race party will be in the United Community Bank parking lot, like last year. Having all of the festivities on the race course, in the heart of Main Street, was well received last year.

We are also requesting the use of the Mini-Park at the corner of S. Main and Depot St. for our registration area. We would need access to this by 4pm.

Sincerely,

Eric, Shannon, and Jason

TOWN OF WAYNESVILLE BOARD OF ALDERMEN
REQUEST FOR BOARD ACTION
Meeting Date: June 10, 2014

SUBJECT: Special Events – Request for Temporary Street Closing for Boundary Street Block Party (*on behalf of Sheila Mraz*)

AGENDA INFORMATION:

Agenda Location: New Business
Item Number:
Department: Administrative Services
Contact: Marcy Onieal, Town Manager
Presenter: Marcy Onieal, Town Manager

BRIEF SUMMARY: The Boundary Street Block Party on July 4th has occurred for the past nine years. The request is for approval for this event and permission to close 2 blocks of Boundary Street (Boundary and Walnut, Boundary and N. Main Street) with extra blockades needed on Mead Street. The streets would be closed on July 4th for this event. Residents have requested that the barriers be set out on the sidewalk the evening before and that the residents be able to place the barriers on the morning of July 4th. The residents would return the barriers to the sidewalk following the event that evening.

MOTION: *To approve the street closures of Boundary and Walnut and Boundary and N. Main Street and Mead Street for the Boundary Street Block Party on July 4, 2014 as presented.*

FUNDING SOURCE/IMPACT: There are few direct costs to the Town associated with street closings, most notably for disposable cleaning supplies, limited staff overtime and electricity for light/sound/vendors/etc. However, the Town commits a significant level of resources in in-kind contributions of materials, use and storage of equipment and staff support for traffic control, event security, emergency response and sanitation.

ATTACHMENTS:

- Email request from Sheila Mraz on behalf of the Boundary Street Residents

MANAGER'S COMMENTS AND RECOMMENDATIONS: This event has been approved for nine prior years; recommend approval as presented.

Subject: Boundary Street 4th of July block party

Hello Ms. Onieal, Ms. Boyer and Ms. Buchanan,

I am writing you to request our street be blocked off for our annual 4th of July Block Party. I thank you for allowing the residents of Boundary Street to enjoy this national holiday by celebrating as a neighborhood with potluck dinner, kids games and contests, corn hole and our 5 foot long banana split sundae. This has been an annual tradition for the past 9 years.

The help that you can provide will be in the street blockades placed on either end of 2 blocks of Boundary Street (Boundary and Walnut, Boundary and N. Main Street). Extra blockades will be needed on Mead Street as well. We thank you for placing the blockades on the sides of the street on Thursday, July 3rd and we will return them to this same position on the evening of July 4th.

I thank you for letting me know if you have any questions.

warm regards,

Sheila Mraz

Received your letter today in regards to serving again on the ABC Board. I would like to continue my service on the board. We now have a new store and I would very much like to continue to serve. I was employed by Mountain Projects, Inc. for 20 years as the Director of the Section Eight Rental Assistance Program. There were 684 families on the program and I managed a budget of almost one and a half million dollars.

I served as president of the N.C. Section 8 Housing Association and then as president of the Southeast Regional Section 8 Housing Association which covered six states.

I am certified by HUD to instruct on the required paperwork for each tenant and also on home inspections. I have taught several classes on both of these subjects while serving on the two above mentioned associations.

While I realize that public housing has some different rules than the Section 8 Program I feel I have enough knowledge of the basic rules to be of assistance to the Waynesville Housing Authority Board.
