**Old Business:**

Admission to **Family Fun Day** was ½ price. Overall, the event was a success.

The **MWF tennis** has been a success this year. The numbers are beginning to drop off as of September. Rental of courts to **Tuscola tennis** has been a success also.

The **six visit pass** has worked well as we have had a number of families from Peppertree Resorts to use the center this summer.

**New Business:**

**Hurricane Katrina evacuees** are eligible for a 1 month free membership to the center.

Mike is attending the monthly meetings of the **county wide recreation committee**. A county wide master plan is being worked on in an effort to aid facility and program planning. Program and facility information is being given to the county and local municipalities in an effort to keep them more informed about our operation. They will also be mailed information on a monthly basis.

The **annual bridge tournament** will be held 16,17,18, of this month at the Old Armory Center. **Soccer** is in under way and doing well. **Softball** is in the last week of regular season and tournament play begins next week.

**Town retirees** are now eligible for an employee membership at the center.

The **region ix golf tournament** will be held in Black Mountain on Oct. 7. Sponsors and players are needed to raise money for our professional association.

**Wallace, Dot, and Lee** have agreed to remain on the advisory commission for another term.

Copies of the **newsletter** and **monthly review** was distributed. Total memberships are up while total members are down as a result of fewer family memberships and more single memberships.

The **materials and supplies revenue** is a result of a rec-trac software rebate of \$120.00.

There being no further business, Wallace made the motion to adjourn and Dot second. All were in favor. 7:15 p.m.

Respectfully submitted,

Michael Smith
