New Business:

- There was an information meeting about preserving Sulphur Springs Park with members of the Waynesville Parks and Recreation Department Advisory Commission and the Historical Preservation Committee. Byron Hickox from the Town of Waynesville Planning Department has not yet set a date.
- We will soon have new LED lights installed in the WRC gym.
- We will soon begin having two day swim meets (Saturday / Sunday) at the WRC. This will be a good revenue event for the department.
- Rhett met with the Waynesville Kiwanis Club regarding the renovation of the playground in Recreation Park. A design will be created and presented at the next meeting.
- We have a volunteer appreciation event scheduled in November.
- Michael Noland is our new outdoor maintenance supervisor.
- Sarah Massie expressed that the rental revenue at the Old Armory is down because the fees are too high.

There being no further business the meeting was adjourned at 6:05 pm.
