## NOTE: RETIREMENT & 401(k) CONTRIBUTION

In 1986, the North Carolina General Assembly began requiring that local governments pay 5% of a law enforcement officer's salary into a 401(k) program. At that time, many cities argued that to treat law enforcement officers differently than other employees was unfair and the General Assembly should not get involved in employee fringe benefits, but the law passed anyway. In the aftermath, many local governments began contributing 5% to a 401(k) Plan for all employees, not just police officers. Waynesville could not afford to do that at that time.

In the 2003-2004 budget, the Board voted to correct this inequity. On January 1, 2004, the Town began making a contribution of 3% of employees' wages to a 401(k) program for the full time town employees who are not law enforcement officers. In the 2004-2005 budget, the Board voted to increase that contribution from 3% to 5% of employees' wages to a 401(k) Program. This puts all full time employees on the same level of fringe benefits.

In 1977, Waynesville joined the Local Government Employees Retirement System. All employees at that time got credit for whatever years of service they had with the Town. To pay for those years of service, for a specific period of time, Waynesville has to pay approximately 3.36% extra annually into the retirement system to take care of accrued liability. That is why the percentage of retirement contributions to the retirement system fluctuates each year. On December 31 2004, Waynesville completed paying off all of the accrued liability, and the contribution to the retirement system dropped to approximately 5%. The Town Board voted to use these savings to make the 5% contribution to the 401(k) program for the rest of the Town employees.
