Old Business:

- None

New Business:

- The monthly report for September was reviewed.
- The Town of Waynesville has a opportunity to apply for the Rural Center Grant in the amount of \$20,000. It would be used for the creation of the greenway along Richland Creek at Hazelwood Park. Specifically, this is the portion of land that was acquired by the Town of Waynesville from the State of North Carolina regarding the Howell Mill Road project.
- The process for the comprehensive plan for our department will begin in January 2015.
- This year Haywood County Recreation and Parks will rent our gym until 1 pm for youth basketball. We are trying to give our members more gym time. In the past the majority was taken by youth basketball.
- We have two new aquatic employees. Luke Kinsland (former full time lifeguard) will now be the new head lifeguard. Also, Pressley Parker is the new full time lifeguard.

There being no further business, the meeting was adjourned at 6:25 pm.

Respectfully Submitted,
Rhett Langston
