

## Scenes

### Space

Video	Lights	Sound
Moving images of space captured by NASA.	Lights change a variety of colors.	Calming music with low rumbles. Medium vibration.

### Aurora Borealis

Video	Lights	Sound
Northern lights of Alaska above a line of trees.	Green lights with subtle changes.	Light, calming music. Some vibration.

### Scotland

Video	Lights	Sound
Rotating drone footage of castles, trains, landscape in Scotland.	Blue, white and green with subtle changes.	Soft music with some lyric-free vocals. Some vibration.

### Rain

Video	Lights	Sound
Rain falling on leaves and branches of trees.	Mostly green.	Gentle rainstorm; very minor thunder sounds. No music. Some vibration.

### Water

Video	Lights	Sound
Partial underwater waves with a Tahitian beach backdrop.	Blue with subtle changes.	Very light sound of water/waves. No music. Some vibration.

### Coral Reef

Video	Lights	Sound
Fish and sea creatures swimming around a coral reef underwater.	Variation of colors with subtle changes.	Underwater sounds. No music. High vibration.
