

ORDINANCE 2017 – O- 13
AN ORDINANCE REVISING WATER RATES

WHEREAS, the Village water and sewer system is intended as an enterprise-funded system that is supposed to generate adequate income to cover the cost of providing water and sewer services throughout the service area and allow for the expansion thereof, all at no cost to the taxpayers of this community, and

WHEREAS, a review of the current ordinances setting forth those regulations has yielded several instances where the rates charged need to be revised both to better fund the system as a whole and to be better prepared in case of unpredictable breakage or service interruptions, and

WHEREAS, the Village Board finds and declares that the matters described herein are necessary modifications to support the intentions described hereinabove, and to provide for the ongoing provision of safe potable water and the proper disposal of sewage, and is, therefore, a proper exercise of the Village's police and public safety powers, and

NOW THEREFORE, BE IT ORDAINED by the Village of Winthrop Harbor, Lake County, Illinois, as follows:

(C) *Outside the corporate limits.* Each user of the water service system of the village located outside the corporate limits shall pay as follows:

(1) For all usage: \$7.50 per 1,000 gallons.

(D) *Automatic adjustment.* Since the village purchases its water from the Lake County Water District, and since that District adjusts the price it charges to the village from time to time, after the effective date of Ord. 2013-O-17, the base rate set forth in the foregoing divisions (B) and (C) shall be adjusted administratively each time that District adjusts the price it charges to the village. All such adjustments shall be proportional to the increase or decrease announced by that District. The Finance Director shall provide timely notices to the Village Board of all such adjustments and the Clerk shall maintain a list of current rates that are readily available during regular business hours to citizens.

SECTION TWO: This Ordinance shall be in full force and effect from and after its passage, approval and publication as required by law.
