

Quarterly Report

Second Quarter of 2018

Winthrop Harbor Police Department

830 Sheridan Road – Winthrop Harbor, IL 60096

T: 847-872-2131 E: info@whpd.org

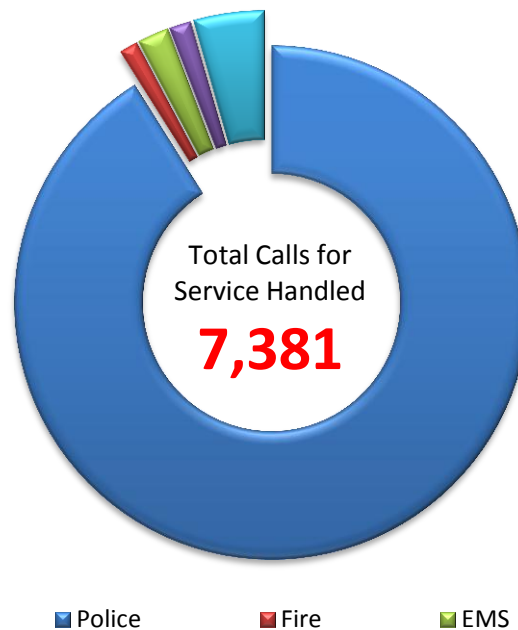

Communications

The Communications Division of the Police Department provides services to virtually all village departments as well as the community's residents and visitors, 24 hours a day, every day of the year. Staffed by five full-time and four part-time Telecommunication Officers, during this month the division handled the call volumes outlined below.

Police – 6,959

Fire – 136

EMS – 209

Our Communications Division is a State certified Public Service Access Point (PSAP), also known as an E-911 center. Our E-911 system has three incoming 911 trunk lines, which this month received the number of emergency calls from land based telephones and cellular based wireless phones shown below.

127 Landline

272 Wireless

399 Emergency 911 Calls

Police Patrol

The Police Patrol Division responds to all Police, Fire and EMS calls for service. When not responding to calls for service, Patrol Officers conduct a myriad of other duties including case investigations, neighborhood patrols, traffic enforcement, community contacts and business checks.
